16.10.07 MR Meeting 20:00

General

Parking at School.

As all our students are now housed at Klimopzoom parking at school in the mornings and afternoons has become more of a problem. In the interest of safety, a solution has to be found and we would therefore ask all parents to please read the attached **Action Plan** carefully. Your child's safety is our number one priority.

Head Lice

We are very happy to report that as yet we have had no sightings of the dreaded bug and in an attempt to keep it that way; we would draw your attention to the attached information sheet. Needless to say, should you have any queries, please contact your child's teacher.

Staffing update

We are pleased to introduce Mrs. Fiona de Bruin, our Special Needs Coordinator for the International Department She is a very welcome addition to our staff, should you have any queries she can be contacted via fbruin@elckerlyc.net.

Lunch Co-ordinator

We are happy to report that Andrea Huijgens, (Luc and Liam's mum) has agreed to be our new Lunch Coordinator. She now has the unenviable job of ensuring that your children are properly supervised during their lunch break. She is always in need of parents who are willing to help so if you feel you can assist her, please email her on Andreanutrition@gmail.com with your preferred lunch days. As always your help in this area is much appreciated.

Winter Wear

As the weather from now on in will be getting colder we would ask parents to please ensure that children come to school with a jacket. This of course applies at all times but especially on the days the children have to walk to and from gym.

Swimming

An English speaking swim school in Leiden. Swim Kids is offering swimming lessons on Wednesday and Sunday afternoons, covering a range of abilities from the age of 3 and up, with our international staff Quinten Cievemans, Ronnie Bruce and Clare Harris. If you are interested and would like more information please telephone 0621275767 and/or pick up a leaflet from the school notice board if you would like lessons for your child.

We look forward to seeing you soon.

Library

We are currently updating our library database to help our volunteers identify the children and avoid confusion. This involves putting a photo of your child on our library system. This is a computer system within the school only and cannot be accessed on the web. Should you have objections or concerns, please contact either Pat in the office or Darren Hillyer (father of Alex and Katy)
